# LOW PROFILE POWERHOUSE

Take your metal fabrication to the next level with the Hougen **HMD2X2** Magnetic Drill. This powerful and versatile tool is designed to meet the rigorous demands of professional metalworkers, offering precision, efficiency, and durability.

## Key Features:

### 2" Diameter x 2" Depth of Cut

Perfect for a wide range of applications, from structural steel to large scale fabrication projects using Hougen "12,000-Series" or Copperhead™ Carbide Cutters.

### Two-Speed Gearbox

Adapt to different materials and drilling conditions with ease. Switch between 300 & 450 RPMs to make the most of your tool life.

### Lightweight Yet Rugged

Designed for portability without sacrificing strength, the compact body allows for easy transport and operation in tight spaces.

### Hougen Quality

Built to last with all metal construction and backed by the industry-leading reliability of Hougen.
